

Summer Camp 2011

23rd July - 7th August

Broadoak Nr Bridport

This year we have found a field that is owned by a co-operative and main use is basic camping like the Orders. On the field there are 8 compost toilets so no need to dig lats. There are drinking water taps at 4 points on the field. They are happy for camp fires but prefer them directly on grass, again no digging. There is plenty of seasoned fire wood available.

The nearest small villages are approx 1 mile away in either direction. The field is situated a short distance down a lane from an unclassified road. It is a large flat field with a coppice in the middle.

The field is approx 4 miles from the town of Bridport, which has a good range of supermarkets and independent shops. There is also a very good farm shop on the way to Bridport, approx 3 miles from the field. The Jurassic coast is another two miles further on with some lovely beaches.

Directions

Take the B3162 from Bridport for 2km. At Dottery turn left. After 2km go through Broadoak. Go on for another 1km. Turn left at cross roads signed Stokes Mill. Entrance to field is about 100m on left.

Nearest Station is Crewkerne (London to Exeter)

At the beginning of camp a Camps Council will form and decide a flexible programme. Activities will include beach visits, gadget making, crafts, fire lighting, wide games, local exploration, BBQ and rest and relaxation. The 6th International Gathering will be held the middle weekend. Please see separate flyer.

Please bring crafts to share and ideas of games for dry and wet weather.

An overnight hike will be arranged subject to numbers and offer of leaders. Please contact Lucy if you are interested to let them know when you will be at camp so you don't miss out.

Things to remember:

- 1) Contact Lucy to let her know you are thinking of coming with an idea of arrival date and how many of you.
- 2) Ideas and equipment for activities
- 3) Ideas for Merrimoot.

Site Dues

£5 per person for night however the Order will subsidise part of this.

Catering

If you would like to join a catering group please let us know, so we can put those that are interested in touch with each other.
